- I have added my child's allergies (if any) to the previous rec desk form so instructors are aware.
- I understand there will not be a nurse present during camps.
- I understand that CSA does not provide aids to students with special needs. It is my responsibility to contact the instructor to discuss eligibility for their summer program. It is at the discretion of the instructor, whether or not, they can accommodate.
- I understand that if I choose the wrong fee, I will be either invoiced or refunded the difference.
- I understand that CSA and CSA instructors reserve the right to cancel any program if enrollment does not meet the required minimum. If the program is cancelled due to low enrollment, an alternate program will be offered or full refund (less any credit card transaction fees) issued.
- I understand that if I choose to pay by credit card and a program is later cancelled either by myself or CSA, I will receive a refund per the refund policy less any credit card transaction fees.
- I understand that if I signed up for the Early Bird rate for a camp that my payment must be received within 2 weeks or the registration will be cancelled.

I understand by signing this form, all of the statements made above.
